

Catering Services Killina Presentation School
Academic Year Sept 2020-June 2021

In light of Covid 19, we have had to make some changes to the way we operate our services for your son/daughter for this Academic Year. At the end of September all our menu items will be available online to pre order. It will be possible for your son/daughter to pre order and pre pay for their lunch on our app that they may download on their phone/pc. This app is extremely easy to use and means the students may pre order their own lunch on their phone on the way to school or even the night before. Payment may be made by card, debit card or revolut card once the order is placed. We would encourage parents to apply for a Revolut card for themselves so that they may obtain a Junior Revolut Card for their son/daughter, the advantage of this card is that the standard card is Free, you just pay for delivery and there are no fees for transactions using this card. The card is contactless and may be used in school to pay for lunch, you may transfer funds from your own Revolut card or even your debit card to your child's Revolut card and they will have instant access to funds. www.revolut.com. It is easy and very safe to use. Revolut is a pre paid debit card. In addition to this we can also take payment in the school from Monday Sept 7th by card, visa, mastercard or Revolut Card on our card machines.

From Monday Sept 7th we will be operating a Hot Lunch service. It will be possible for students to Pre Order between 8.15am and 8.40am in school at the canteen. Outside this time, we will have a Pre Order Box situated in the concourse outside the kitchen door. Students are encouraged to write down their order, their first name and surname and their year group on paper and place inside the box. Students must use their own pens and paper for this. We would ask students not to abuse this system and only use if you are genuinely wishing to Pre Order Lunch. The cut off time for pre orders using this system is 11.15am. We will then take payment at lunch break for the pre ordered items. Payment may be made by card or cash on the day.

We will have a selection of items available for sale at the lunch break, however it would be impossible for us to cater for all students without a Pre Ordering system in place and in use. So to be guaranteed a Hot Lunch, Wrap, Panini, Soup, Sandwich, Filled Freshly Baked Baguette even a tea or hot chocolate please ask your son or daughter to Pre Order. All our staff are trained in Back to Work Covid Protocols and will be wearing visors and gloves. Principal Mr Cotter and his staff will be ensuring that Social distancing is maintained during service. Because of the safety precautions we will have in place service will not be as fast as it would be under normal conditions, so again I would stress the importance of encouraging the students to Pre Order to be guaranteed a lunch.

The menu for week commencing Monday Sept 7th is attached and if you have any queries at all about our school catering system in Killina or about the app please do not hesitate to contact myself or Dominic our numbers are below or email info@rafterscave.ie,
