Rahan, Tullamore, Co. Offaly

18th October

Dear Parent(s) Guardian(s)

We are currently undertaking a timetable review in the school. The purpose of the review is to ensure optimal timetabling for students and teachers.

While the finer points of this review are not yet finalised. I wanted to inform you of a change which will take place for next academic year. Classes will finish at lunchtime on Fridays, and we will have a slightly longer day Mon-Thursday.

School finishing times Mon-Thursday will be a little later approx. 3.50/4.00
Finishing time on Friday will be 1.05/1.10

We will be in contact again when the review is complete.

Regards

John Cotter
